SEPTEMBER GENERAL MEETING

Are you curious about Maryland State Highway Administration's plan for Electronic Toll Lanes (ETLs) on the Beltway? Will this increase mobility? What about capacity? What will the widening of the road mean for Hillandale and adjacent properties?

The State is now preparing the Environmental Impact Statement for the project. See the project's web site at: <http://capitalbeltway.mdprojects.com/>

HCA has invited the SHA's Project Manager along with a Montgomery County Transportation Planner to brief the community on this important project in late September. Look for the date, time and location in our September Bulletin.

New Officers for HCA

This past May at our annual community dinner we elected new officers for the year. Their titles and names are listed below.

| | |
|---------------------------------|--------------------------|
| President | John P Thomas |
| Executive Vice President | Joseph Branch |

Curb Numbering Revisited

In the May issue of the Bulletin, we mentioned that Boy Scout Troop 752, which meets at Cresthaven ES, would be painting house numbers at the curb for any interested Hillandale residents.

This project was delayed until August so there is still time to get your home added to the list. So far, about 25 homes have signed up but the Scouts want to see more. This is an inexpensive service (ten bucks) and it could save your life. If you are interested Contact Pamela Reid via email at reidbrady@comcast.net or by calling: 301-439-5362.

Beat the Heat

It's hot and there is still plenty of summer left. Our community is very fortunate to have two fine private swimming pools. There is still time to join and get some laps in while the weather is hot.

The West Hillandale Swim Club is located at 915 Schindler Drive. You can visit their website at: <http://www.westhillandalepool.org/> for information about membership and facilities or call: 301-445-8330

The Hillandale Swim and Tennis Association is located on Green Forest Drive and you can find information about them at: http://www.hillandale-md.org/HSTA/HSTA_index.htm or call: 301-445-0113

On August 2nd both pools will host our National Night Out event and invite all Hillandalers to drop in for refreshments. The best part is that both pools will be open for swimming-so better bring your bathing suit. Our community pools are tremendous assets to Hillandale. Perhaps you will want to join and help support them and give you and your family a great place to burn up some energy and make new friends over the summer.

BE PART OF HILLANDALE'S ANNUAL "NIGHT OUT"

Share good company and conversation, and take a stand against crime!

On Tuesday, August 2, the Hillandale Citizens Association invites you to our community's third annual Night Out. This event is part of the National Night Out, which aims to help neighborhoods work together to prevent crime and keep themselves safe.

We'll again hold our evening at Hillandale's two beautiful pools, and all you need to do is pick your location and come. You'll meet new Hillandalers, reconnect with longtime residents, and get important information about our local crime watch program. Both Prince George's and Montgomery County Police have been invited.

Both pools will be open for swimmers, so bring your swimming suits.

While light refreshments will be offered, feel free to bring a picnic dinner for your family. Better yet, organize a potluck among neighbors on your block and hold it poolside as part of our Night Out. Plenty of tables are available at both pools.

The date, times and addresses to remember:

Tuesday, August 2.

6:30 – 8:00 p.m.

Hillandale Swim and Tennis Association: 10116 Green Forest Drive, 301-431-6916.

or

West Hillandale Swim Club: 915 Schindler Drive, 301-439-4208

For more information, contact Joseph Branch (301) 431-0180. Volunteers to assist in the preparations will be welcomed enthusiastically.
